

Hello AMCAP members

Greetings from the AMCAP office in Salt Lake City. What makes AMCAP unique is its wonderful members! A list of new AMCAP members was published in the last Networker. It was suggested we honor those who have been members of AMCAP for a very long time. Here is a list of those who have been members of AMCAP since its beginning (1975-1989) to the year 2000. Congratulations to those who have kept their membership current.

Thanks BJ Fullmer
