## **Gage Park Church of the Nazarene Remodel Project**

Chicago Gage Park is a church located on 59<sup>th</sup> St and California Ave. We started this congregation on February 2011. Two years later our church needed space to accommodate more people, and install an office for the church, and classrooms for Sundays school. The idea was to expand the church occupying the building next to us.

Our Superintendent, Dr. Brian Wilson, talked to us that the Chicago Central District had a contracted to Aka Contractor John to make this kind of work; and the remodel project started.

We thanks John and his team, because since the beginning of the project they show an special interest for making this job that work with the vision of our local church. John always was checking the remodeling and taking care about every detail. Every area was made with an excellent job. Well done!

The congregation is talking about taking care of this property and we are suggesting a yearly inspection.

Ezequiel Garcia  
*Pastor of Chicago Gage Park
