

Danny Szeremet

**Transformational
Speaker - Singer - Songwriter**

Danny has spoken to over 10,000 people on hundreds of stages, at corporate events, conferences, schools, charitable functions and more.

Combining his personal stories and original songs, Danny delivers "keynote concerts" that engage the listener's mind and emotions. Smiles, tears, goodebumps have been reported.

When Danny picks up his acoustic guitar, people will feel his message. Expect humor, laughter, stories and original songs that resonate deeply with the audience.

Get to the heart. Deliver a powerful message. Invite Danny to speak at your next event.

Praise for Danny

"Danny used humor and had a tenderness to the stories that he was telling on stage that really left me feeling touched, moved, and inspired to take on things in my own life."

- Michael Letsinger, Musician - CA

"It's like you see the miracle of his life unfolding... and what he created from it, in his playfulness and his beautiful music."

- Kate Anderson, Educator - WA

What Danny offers is so incredibly unique and dynamic and heart-opening. And you're going to love it.
