## STATEMENT OF UNDERSTANDING

By signing this application, I represent that all my answers are complete and accurate, and that I understand and agree to the following conditions:

- No Independent Producer, agent or employee of Blue Cross of Idaho may alter any part of this application or waive the requirement that I answer all questions completely and accurately, nor may any such person change the terms of the policy, except by endorsement issued expressly for that purpose over the signature or facsimile signature of the President of Blue Cross of Idaho.
- Blue Cross of Idaho may, at its discretion, request supplemental information from me, any family member listed on this application, or any health care providers before deciding whether to approve or reject the application.
- Blue Cross of Idaho may deny benefits or terminate or rescind my policy retroactive to its effective date for any misrepresentation, omission, or concealment of fact by, concerning, or on behalf of any persons listed on this application that was or would have been material to Blue Cross of Idaho's acceptance of a risk, extension of coverage, provision of benefits, or payment of any claim.
- If this application is not approved for the program(s) applied for upon initial review, any payment submitted with this application will be refunded. Upon the refund of the payment, Blue Cross of Idaho will have no further obligations to me or any family member listed on this application.
- If this application is approved coverage for myself and any eligible family members named on this application will begin on the date assigned by Blue Cross of Idaho.
- If this application is approved, I understand a copy of the application will be attached to my policy. I approve the inclusion of any needed alterations to the application as long as I have been consulted by a duly authorized employee of Blue Cross of Idaho or a licensed and duly appointed Independent Producer representing me, the alterations are duly noted in the "Processing Notations" section of the application, and I have had an opportunity to review the application that will be attached to my policy.
- I acknowledge and understand my health plan may request or disclose health information about me or my dependents (persons who are listed for benefits coverage on the enrollment form) from time to time for the purpose of facilitating health care treatment, payment or for the purpose of business operations necessary to administer health care benefits; or as required by law. For more information about such uses and disclosures, including uses and disclosures required by law, please refer to the Blue Cross of Idaho Notice of Privacy Practices that is available at [www.bcidaho.com](http://www.bcidaho.com).
- I have been advised that if I am declined coverage under the plan I am applying for, I may be eligible for my choice of the High Risk Basic, Standard, Catastrophic A, Catastrophic B or Idaho HSA plans. I have also been advised that I may be eligible for one of the High Risk Basic, Standard, Catastrophic A, Catastrophic B or Idaho HSA plans if Blue Cross of Idaho refuses to issue a health benefit plan providing coverage substantially similar to coverage offered under an equivalent High Risk Pool plan except at a rate exceeding the rate of the High Risk Pool plan.
- If you have had group or individual coverage or a government health care program for at least 12 months, you are entitled to receive a Certificate of Creditable Coverage from your previous employer or insurance company. This document will state the effective date of prior coverage and the termination date of coverage for you and any covered dependents. ### FEDERALLY ELIGIBLE INDIVIDUAL INFORMATION

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), guaranteed availability of individual coverage means that if you are HIPAA eligible, you cannot be denied the right to buy individual coverage. In addition, a preexisting condition exclusion cannot be applied to your coverage.

You are HIPAA eligible, also called an "eligible individual," if **ALL** of the following are true at the time you apply for individual coverage:

- You have at least 18 months of continuous creditable coverage without any break in coverage greater than 63 days
- Your most recent coverage was under a group health plan, a governmental plan or a church plan (or health insurance offered in connection with such a plan)
- You are not covered under another group health plan
- Your most recent coverage was not cancelled because you did not pay your premiums or because you committed fraud
- You are not currently eligible for Medicare or Medicaid

If you are HIPAA eligible, you will lose your right to get individual coverage without an exclusion unless you submit an application for individual coverage within 63 days after the day your group health coverage or continuation coverage ends. Act promptly to protect your rights.

### MEDICARE PART D CREDITABLE / NON-CREDITABLE

**Blue Cross of Idaho's individual products are categorized as "creditable" or "non-creditable" for purposes of Medicare Part D. If you are a person nearing age 65 or an individual under 65 who is entitled to Medicare, the creditable/non-creditable information is important to you.**

When you become eligible for Medicare, you can enroll in Medicare Part D. If you do not sign up when first eligible, you may generally enroll between November 15 and December 31 of each year.

If you do not sign up when first eligible and/or if you go 63 days or longer without prescription drug coverage that is creditable (at least as good as the standard Medicare prescription drug coverage), you may have to pay a higher monthly premium.

- The higher premium is based on the number of months you did not have creditable coverage.
- The penalty is 1% per month without creditable coverage. For example, if you went 19 months without creditable coverage and then signed up for Medicare Part D, your premium would be 19% higher than the premium rate at the time you sign up.

**Creditable** prescription drug coverage is that which, on average, is expected to pay out as much as the standard Medicare prescription drug coverage.

**Non-creditable** prescription drug coverage is that which, on average, is **not** expected to pay out as much as the standard Medicare prescription drug coverage.

## AFFIRMATION

I affirm the answers given in this "Idaho Individual Application" are complete and correct. I am providing these answers as part of the application procedure required by this insurance carrier to enroll in its insurance coverage. If approved, coverage will be in force as of the effective date determined by the carrier.

- I understand that this application will become part of the contract between the insurance carrier and me.

**I have been advised that if I am declined coverage under the plan I am applying for, that I may be eligible for my choice of the High Risk Basic, Standard, Catastrophic A, Catastrophic B, or HSA plans. I have also been advised that I may be eligible for one of the High Risk Basic, Standard, Catastrophic A, Catastrophic B, or HSA plans, if my insurance carrier refuses to issue a health benefit plan providing coverage substantially similar to coverage offered under an equivalent High Risk Pool plan except at a rate exceeding the rate of the High Risk Pool plan.**

For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have, (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits present under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
