Outdoor Recreation Facility

The Outdoor Recreation Facility (ODR) offers recreation equipment issue items for camping, skiing, snowboarding, cycling, fishing, canoeing, paintballing and kayaking.

A Skeet & Trap Range and Paintball Course are also available.

ODR also schedules High Adventure trips. Trips consist of such activities as Skydiving, Bungee Jumping, Skiing, etc. These trips are advertised through MWR Reflections newsletter, The High Desert Warrior, and KNTC Radio, and poster advertisements. ODR also has started to cater to individual needs for trips and activities. Patrons can call or come by the facility to discuss scheduling customized trips for themselves or friends. Patrons must provide select dates and targeted locations for their recreational interests. Patrons will be responsible for paying transportation and recreational event fees. Minimum of four (4) participants required.

The program also offers RV Storage space, RV day use, Mini Storage, and great classes. Have your bike serviced in our Bike Shop. The ODR program also includes a 6 hole "Pitch & Putt" golf course located on 5th Street.

We are also the host facility for the Off Road Vehicle (ORV) area. You must obtain an access permit prior to use. Permit briefings are held monthly.
