- Ink Cartridges
- Cell Phones

## November Meeting Highlights

I'd like to thank everyone who attended our November Home and School Meeting.

A few of the highlights this month were discussing the technical needs of the school. Last month we had approved funding for some supplies that our computer lab needed. Since then we have purchased a new camera to be used at a variety of school activities. These pictures will then be submitted for use in our yearbook. We also purchased the CD's and a battery charger for the small digital cameras that our students in B Building use from time to time. We also voted to purchase 8 new DVD/VCR combo units for 8 of our classrooms. Further investigating have found us in error though. The TV's are so old we would need to purchase

these units with tuners in the back at a cost of \$199 each. Since this is more than we approved to spend Deb Dougherty from our lab is doing some further research. If this is an area of your expertise or you think you could help us in this venture please contact me or Deb Dougherty. We are looking into all options.

**BOWLING-** We did go bowling on our day off at the beginning of the month and we had a great turn out. Hopefully this is something we will continue to pursue for the remaining school year.

**FUNDRAISER-** Our next fundraiser is a Marco's pizza night. It will be held on Wednesday Dec.17th and

## Recycling News

Thanks to all who participate in all of our recycling/fundraising opportunities.

I am in need for someone who would like to help run the recycling portion of this program..

It is not a difficult job and

would not take up much time. We are approved to recycle ALL drink pouches, Nabisco cookie wrappers, Nestle pure life bottle water wrappers, & my coke rewards caps. I have the information and it's simply a matter of collected the items from the

goes for

**Happy Holidays !!**

the **ENTIRE** day. More info will come on this next week.

**ATHLETIC NEWS-** The Ohio State Vs Michigan tailgate party was a blast. Thank you to Chris Bucher and Amanda Patterson for all their hard work. They raised \$4000 for our athletic program.

**MINUTES-**All minutes from each Home and School meeting are posted on the St. Paul website. Please be sure to check it out from time to time.

school and sending them in. We even have the envelopes and shipping covered for you.

If interested please contact me at your earliest convenience.

HAPPY HOLIDAYS!
