- **FUNDRAISING -**
- Verizon phones-contact me to get the form to fill out when you sign a new contract or renew an old one. We receive \$25 for every account.
- Ink Cartridges
- Cell Phones

## October Meeting Highlights

Thanks to all who came out for the October Home and School meeting. We had a great turn out.

First I'd like to report that our Chicken dinner and Book Fair were very successful. The Book Fair raised \$1670 and the Chicken Dinner raised approx. \$3200. Thanks to all who supported these Fundraisers. Next month please come out and tailgate with us at Skyland Pines to support our Athletic Program.

We approved funding for some supplies that our computer lab needed. That list includes; CD's to store files and photos, a rechargeable battery charger and batteries,

and a new camera for all the staff to use for school events. Several classrooms are in need of new DVD/VCR combo units. We are looking into what classrooms need them and how much they will cost.

Market Day is currently holding their pie fundraiser so we will have the numbers on that along with the student and classroom winners in next month's newsletter. Don't forget that Market Day can be used for a tuition profit. See Lauren Beskitt or Deanna Langer for details.

We also discussed changing the skate parties on our days off to bowling parties at Park Centre Lane. I'm trying to

**Happy Thanksgiving !!**

set up our first bowling day for November 7th. If this is accomplished further information will go home the week of November 3rd.

All minutes from each Home and School meeting are posted on the St. Paul website. Please be sure to check it out from time to time.

## Recycling News

Thanks to all who participate in all of our recycling/fundraising opportunities.

One thing I didn't mention in last month's newsletter was the Tyson Box tops. Please save these and send them in with your child. They will be

sent to the office and we will send them in once we have collected enough.

I've recently signed us up and been approved to recycle juice **POUCHES**. I've got the kit and it is a very easy program to run. I'd like to

have a volunteer to take this over from myself if possible. If you are interested in this or any other of our recycling programs please feel free to contact me or let Mrs. Payne in our office know. Every little effort counts and every dime helps our school.
