

## MEDICATION POLICY

Saint Paul School follows the policy of the Diocese of Youngstown Board of Education and the State of Ohio for giving medications. Designated personnel can administer medications,, including over-the-counter medications, ONLY when the following procedure is completed:

1. Dispensation of Medication form must be completed by a **physician** and signed by a parent/guardian. A separate form must be filled out for each medication.
2. The medication and signed permission form must be brought to the school by the parent/guardian. Children are not permitted to carry medication to school.
3. The physician's signature must be on the original medication permission form.
4. The medication must be brought to school in the original container.

Forms are available in the school office.

Parents may come to school to give medication to their child if needed and arrangements have been made.
